History

Originally erected in 1950 as a war memorial, the Wicomico Youth & Civic Center was rebuilt in 1980 after being ravaged by fire. Today, the Civic Center boasts a 5,600 seat 30,000 square foot arena, a 10,000 square foot secondary space with a fixed stage, as well as ten customizable meeting rooms all bearing names of battles fought by the United States - Normandy, Midway, Flanders and Danang.

In continued support of the country's armed serviceman, a war memorial stands in front of the building and features bronze name plaques and flags representing each branch of the service. In addition, a Memory Tree adorns the wall of the front entranceway bearing names of America's past and present heroes.

Over the years, the Wicomico Youth & Civic Center has hosted it all from world championship sporting events, international dog shows, Broadway productions and sold out live concerts.

In-house Services

Box Office and Ticket Services

The Wicomico Youth & Civic Center handles the sale of all tickets through the Civic Center Box Office - open Monday through Friday 8am - 5pm. Online purchases are made through an arrangement with Tix.com. When our contractual agreement stipulates rental fees based on ticket sales, all tickets must be sold through the Civic Center box office. When Lessees are renting the Civic Center facilities on a flat rental basis, but tickets are still being used for admission purposes, tickets must still be ordered through the Civic Center box office. All printing costs are the responsibility of the Lessee.

For our ticket selling service, you will be charged a 3% fee; that is three and one-half percent of the gross sales after taxes. This service charge covers the cost of the ticket sellers and box office administrative costs.

At least three (3) weeks before Lessee desires the sale or distribution of tickets, it shall deliver to the Wicomico Youth & Civic Center Box office all information required for such tickets and admissions for the event. For most events, mail orders are handled by the Civic Center Box Office for customer convenience, if time permits. Master Card and Visa Credit Cards are accepted by the Civic Center Box Office. The bank charge of 3 +% of the amount charged will be passed on to the Lessee and be listed as an expense at the time of settlement.

Encore Catering's staff fully capable of catering pre-show meals for performers, show personnel and stagehands. In addition to handling all pre-arranged meals, Encore will be responsible for fulfilling all rider requests. Please note that no outside food or beverages are allowed within the Civic Center at any time.

In-house Services

Program Services Personnel

The Wicomico Youth & Civic Center has an in-house Program Services Department including event staff, ushers, event supervisors, ticket takers, first aid personnel, etc. In most cases, lessees are required to have certain program services personnel assigned to their event for service functions; the required number is to be determined by the Civic Center Management. These requirements will be coordinated in advance between the Lessee and Management, at which time a price quotation for these services shall be made available. Rates for service or for any additional equipment requested shall be charged at the current Civic Center approved rates. Event personnel normally report one-half hour before the doors are opened, except as noted.

For small events, costs for the above requirements are normally negligible; for large events the charges for these services may become very significant to your overall costs. In all cases, the Lessee will be responsible for these costs and Civic Center Management will make every attempt to limit these requirements to only those services necessary for the comfort and safety of those attending the event. Applicable rates can be found on the exhibition services sheet.

Stage Hands

The Wicomico Youth & Civic Center is a non-union stagehand venue. Professional stagehand services are available through the venue at the applicable published hourly rates.
