

Revolution Place

Revolution Arena and Bowes Family Gardens

Grande Prairie, Alberta, Canada

The City of Grande Prairie, a growing community of more than 64,000 with a trading area in excess of 300,000. It is the commercial, professional, transportation, government, recreation and entertainment hub of the Northwest. Grande Prairie is the **second richest city in Canada** and has the **second highest average monthly income in the country**. **Provincial sales tax** does not exist in Alberta which is yet another reason to come and do business with us!

Grande Prairie is the youngest city in Canada and one of the fastest growing in North America. With more residents preparing for kindergarten than getting set for retirement, our average age is a youthful 30.3 years!

Revolution Place is the instinctive “go to” choice for clients and patrons alike. The upgraded venue is not only attractive, welcoming and friendly, it is a “cool” place to do business. We successfully host all types of events and our staff whether managing events, providing support services or answering inquiries continues to provide exceptional service to one and all.

At a glimpse...

- **Approximately 4.5 hours (467.86 km) Northwest of Edmonton**
- **Approximately 5.5 hours (496.50 km) Northeast of Prince George**
